

Artistic director Barbara Mullen established the New England Dance Ensemble in 1986. It is a non-profit 501 (c)(3) organization. NEDE's mission is to combine the talents of local pre-professional dancers, with currently performing professionals from National and International Companies. Membership is open to all performers in the New England area. Our members will have the opportunity to perform traditional classical ballet repertoire and contemporary choreography. They will become knowledgeable of composers, choreographers, costuming and stage make-up. The NEDE Company welcomes dancers who want to specifically focus on the various aspects of the professional performing experience.

Our 2023-2024 season will include "The Nutcracker" "A Child's View of the Holocaust" and "The Lorax."
